Occasionally St. Francis may send announcements and photos about church activities and special events to local newspapers, or post photos on the public portion of the church web site or our Facebook page to celebrate our parish community. This authorization form allows us to send or post photos, in which you or your minor child may be shown without identification. Children over 18 should sign their own form.

"I grant permission to St. Francis Church to use photos in which I or my minor children appear in announcements and postings in the local newspapers and online media such as Facebook and the public portion of the church web site."
